General Information

Product Description: Sephra Gluten Free Waffle and Pancake Mix offers a convenient baking solution—just add eggs, milk and butter to create delectable waffles and American style fluffy pancakes.

Product Code: U516.12, U516(4x3kg)

Country of Origin United Kingdom

Application: Yield: Approx 30 x 100g portions as sold per 3kg bag
Ratio: Dry Mix 550g, Large Eggs 2, Cold Milk 400ml, Melted Butter / Liquid Margarine 50g
To make Waffle:
1. Pre-heat your waffle iron.
2. Mix together the eggs and milk and add to the waffle mix. Mix until smooth.
3. Add the melted butter slowly until incorporated into the mix. The mix will be consistency of thick cream / custard. If it is thicker, add a little extra milk. You may find if using liquid margarine, it will be a little thinner, but this is fine. Allow the mix to stand for 5 minutes. It will thicken slightly. It is then ready to use.
4. Cook for 3-4 mins until golden brown. Do not overfill the waffle iron. The time will vary depending on your waffle iron. The waffles are best served warm. You can reheat the waffles in an iron or a toaster.
